# Press Release:

## Boland's Quay Development Group Appoint DNG New Homes as Sales Agent

The 'Boland's Quay Development Group' have selected DNG New Homes as sales agents for the residential element of the Boland's Quay development.

Bolands Quay is a new landmark office and residential development situated at the former Boland's Mill site in the heart of Dublin's docklands. Last December, NAMA confirmed that it would provide full funding to the receiver, Savills, for the development.

The total residential element at Bolands Quay will be 41 distinctive units combing a mixture of apartment types and penthouses. 31 of the units will benefit from being located in a new high specification fifteen storey signature building set close to the dock edge. A number of these units will enjoy superb uninterrupted views of the water, the coast and the surronding city.

The remaining 10 residential units will be located at the quay side in a unique converted exsiting stone cut mill building. The development will also feature residential amenities including a proposed gym,receration areas and public open space incorporated into the design of the central plaza.

As part of the overall Bolands Quay project there are plans to accomdate a vibrant restaurant and café use designed to complement and enhance the residential and commercial spaces.

Demolition works have already commenced and the project is programmed for completion in 2018.

Keith Lowe and Gemma Lanigan, of DNG New Homes will be handling the marketing and sales of the development. Email newhomes@dng.ie or call 01 4912600.

**-Ends-**
